

Entry into Fire Station:

Answer questions on station assessment form:

- **Do you have flu like symptoms including fever, cough, shortness of breath, difficulty breathing, sore throat or runny nose?**
 - If yes, do not enter fire station.
- **Have you travelled outside of Canada in the past 14 days?**
 - If yes, do not enter our fire station.
- **Have been in physical contact with anyone having Covid-19 in the last 14 days?**
 - If yes, do not enter our fire station.

If answering “NO” to these questions you may enter:

- Immediately go to sink and wash hands for at least 20 seconds.
- After hand washing take your temperature (ear) with Braun Thermoscan scan (disposable cup). If higher than 38C leave station.
- While in station maintain physical distancing.
- Avoid touching your face.
- Avoid touching other items around the station unless you have to.
- Try not to share work spaces.
- Clean everything you touch after use.
